

CARROLL INSURANCE

Allied Insurance 24/7 VIP Service Team

As a Carroll Companies client you deserve VIP treatment. Designed and offered ONLY to Carroll VIP clients, you now have DIRECT access to the **Allied Insurance 24/7 VIP Service Team** who have partnered with Carroll Companies for your benefit! And please understand these are U.S. citizens so you are NEVER talking to somebody you can hardly understand after normal business hours!

This includes you being able to call on your account for any type of servicing INCLUDING adding or deleting a vehicle or driver, increasing or decreasing coverage, billing inquiries, EVEN filing a claim. Even though, you can still call Carroll Companies where we will always gladly service the daylight hours out of you, by calling your **Allied Insurance 24/7 VIP Service Team** your change is done IMMEDIATELY and processed in the home office where you will get immediate premium changes and even be sent proof of insurance, ID cards, etc with NO delays!

For example, you purchase a new vehicle or even have a claim and call Carroll Companies as you always have. In most cases, a friendly voice answers the phone and takes great care of you. YET, if it is before 9 or after 5 or on the weekend OR even sometimes during regular business hours it can ring into the automated attendant because of a bunch of different reasons (in the restroom, at lunch, in a meeting, Buckeye phones are down due to weather, etc) Instead of having to leave voice mail and await a return call, wouldn't it be so much better to ALWAYS talk with a LIVE person 24/7 365 days a year by simply calling your **Allied Insurance 24/7 VIP Service Team** and IMMEDIATELY having your request completed along with you being given immediate premium changes if applicable?

In fact, this is as easy as pie.....as follows please:

1. Simply call 1-800-282-1446. Once prompted, you can choose from the following options:
 - Press the # 1 to reach the claims department
 - Press the # 2 for billing inquiries OR to pay your bill via check or credit card.
 - Press the # 3 for any change needed for your policy (add or delete a car or driver, update loan info, etc)
2. Then enter the Carroll VIP Client # of 27329.....once entered, you will immediately be connected to a licensed **Allied Insurance 24/7 VIP Service Team Member** who will efficiently and immediately service your request.

It is really that easy! This now gives you another servicing option as a VIP client to make your life easier as I GUARANTEE you will love it! Already many clients are raving about this and so will you too!
